Training Solutions to Meet Government's Needs

For over **22 years**, ExitCertified has been dedicated to serving the United States government, delivering comprehensive training to over **23,000 government** personnel. Specializing in technology training and certification for Federal Civilian and Defense agencies, we excel in sourcing and managing educational programs tailored to meet the unique needs of the public sector.

At ExitCertified, we're fully versed in the administrative requirements of all levels of government in the United States. Our dedicated Government Education Services Consultants can help you create a learning path that meets the needs of everyone on your team. Training can be procured through several vehicle options available to service our public sector customers: General Services Administration (GSA) schedule, BPA, IDIQ, and GPC.

> Our award-winning instructors have taught IT courses for an average of 17 years with an average of 27 years of practical experience.
