

# Databricks Learning and Certification Paths

Certification Exam

Authorized Class

## Looking for Overview

Apache Spark Overview (1-day)

## Certification Path

Just Enough Scala for Apache Spark (1-day) (Optional)

OR

Just Enough Python for Apache Spark (1-day) (Optional)

Apache Spark Programming (3-day)

Databricks Certified Developer: Apache Spark 2.x Exam

## Data Engineer / Developer

Just Enough Scala for Apache Spark (1-day) (Optional)

OR

Just Enough Python for Apache Spark (1-day) (Optional)

Apache Spark Programming (3-day)

Apache Spark Tuning and Best Practices (3-day)

## Data Scientist

Just Enough Scala for Apache Spark (1-day) (Optional)

OR

Just Enough Python for Apache Spark (1-day) (Optional)

Apache Spark for Machine Learning and Data Science (3-day)

Hands on Deep Learning with Keras, Tensorflow, and Apache Spark (1-day)

## Experienced Databricks User Looking to Create a Data Lake

Databricks Delta (1-day)
