

LIVEVIRTUAL

5 WAYS EXITCERTIFIED LIVE VIRTUAL REDEFINES VIRTUAL TRAINING

With ExitCertified's Live Virtual you get the same instructor-led classroom learning experience no matter where you're sitting.

1 | State-of-the-Art Infrastructure

Industry-leading equipment — designed with instructors and students in mind — with high-quality, bi-directional video empowers you to participate in a live, certified course.

2 | Highly Trained Production Team

To ensure a flawless learning experience, dedicated Live Virtual producers are available to support you before, during and after your course

3 | Interactive, Face-to-Face Experience

Our hands-on labs and two-way video and audio technology enable you to interact in real time with your instructor and classmates.

4 | Proactive Help and Support

Our technical team conducts a pre-class connection test, so you can rest assured that you won't miss a moment of your course and lab experience.

5 | Perfecting Virtual Training Since 2012

Through the Live Virtual solution, we've trained more than 31,000 students from 67 countries around the world.
