**Code:** LS120  
**URL:** [View Online](#)

Red Hat® Learning Subscription is an exclusive program that provides you with one year's access to all Red Hat Online Learning courses. You will receive unlimited access to our online learning content, up to 400 hours of hands-on lab time, and more than 1000 recorded instructor videos. In addition, you will receive access to the Video Classroom modules that feature our most popular course titles.

This program allows you to take any of these courses in your own time and at your own pace, so if you are considering taking more than one Red Hat course within the next year, this program may be the best way to get the training you want, when you need it.

You will receive:

- One year's access to all Red Hat Online Learning course, single user
- Unlimited access to 50+ online courses
- 400 hours of cloud delivered, hands-on lab time
- More than 1000 recorded instructor videos
- Video Classroom access
- Access to new and updated courses as they become available during your year-long access

## Who Can Benefit

Red Hat Learning Subscription courses span a variety of different Red Hat technologies, which is why this training subscription is ideal for all levels of IT professionals. This program would most benefit IT professionals such as IT managers, system administrators, software developers, and system architects. Refer to the audience and prerequisites of individual courses to determine if a course is right for you.
