

Veeam Certified Engineer - Advanced (VMCE-A) Exam Voucher

Code: VMCE-A1-EXAM

URL: [View Online](#)

This is Version 1 of the exam, matching VMCE-A : Design & Optimization v1 content.

The Veeam® Certified Engineer - Advanced: Design and Optimization (VMCE-A: Design and Optimization V1) is a two-day technical course focused on teaching engineers how to design and optimize the "Veeam Availability Suite™" solution, following the Veeam Solutions Architects' best practices. This class is designed for professional services consultants and system administrators who already have attended the VMCE «standard» three-day course or VODL and are aiming for the "Veeam Certified Architect" title.
