

HDS - Hitachi Vantara Storage Boot Camp

Code: HDS-THI0430
Length: 0 days
URL: [View Online](#)

This 10 day course provides an overview of the Hitachi Virtual Storage Platform (VSP) G series and its associated software management products. These include Hitachi all-flash solution, data protection, cloud, big data analytics, and content and mobility solutions. Various hands-on lab activities in the course are designed to help you build the skills necessary to operate the key software utilities. These activities provide an opportunity for you to work with Hitachi storage systems.
