

HDS - Hitachi Data Systems Storage Foundations - Modular

Code: HDS-THI0515
Length: 0 days
URL: [View Online](#)

This course provides a thorough overview of the Hitachi modular storage products and technology, including hardware and software. It details the Hitachi Command Suite, virtualization, storage area management, performance, configuration, and business continuity. Presentations on the Hitachi Content Platform, NAS Platform, Storage Capacity Reporter, Tiered Storage manager and Data Protection Suite by Hitachi Data Systems are also included. This course is part of the Hitachi Certified Storage Professional Program and supports the Hitachi Data Systems Storage Foundations — Modular exam (HH0-120). This course will be offered as a 3 day course in North America until the end of May 2012.
