

HDS - Certification Exam Preparation: Foundations Enterprise

Code: HDS-THI1175
Length: 0 days
URL: [View Online](#)

This 1 day instructor-led training course provides an opportunity to become Hitachi Data Systems Certified. This course helps learners prepare for and take the Hitachi Data Systems Foundations Enterprise Certification exam (HH0-110). This refresher provides a focus on key areas of expertise for the Hitachi Data Systems Professional (Foundations – Enterprise Track) credential. The training is applicable for those with experience with Hitachi Data Systems Enterprise products and technology.
