

HDS - Storage Management with Hitachi Command Director v7.x

Code: HDS-TSI1845
Length: 0 days
URL: [View Online](#)

This 2 day instructor-led course provides the knowledge to install, operate and administer Hitachi Command Director v7.x. It explains the purpose and advantages of using the Command Director to centralize reporting and management across the Hitachi Command Suite v7.x. This important feature will provide the business intelligence needed to make informed data management decisions. In addition, the course contains the Hitachi Device Manager and Hitachi Tuning Manager configuration requirements for data collection, creating business views, and troubleshooting.
