

Complimentary AWS Operations Resources Bundle

Code: AWS-RES-OPS-OD

URL: [View Online](#)

AWS Operations videos will introduce a number of services that are of interest to administrators and operators responsible for provisioning, management, monitoring, and logging of infrastructure in AWS. They will also cover configuration management services like CloudFormation and OpsWorks, as well as container-related services like ECS, ECR, and Fargate.

- Introduction to Amazon CloudFront
- Introduction to Amazon CloudWatch
- Introduction to Amazon CloudWatch Logs
